The Black Forest Technology Park

Nestled into the trees, the picturesque four-story building boasts a glass curtain wall façade accented by natural stone, lush landscaping, and a small lake with a fountain. The inviting entrance features a courtyard and koi pond and welcomes tenants and guests into the modern lobby with top-of-the-line finishes. Grab coffee or lunch on-site at the Black Walnut and unwind with a walk around the lake. The energy-efficient building includes Mecho Shades on all windows, a rooftop deck on the second floor with abundant green space. The state-of-the-art office is strategically located in the Black Forest Technology Park, home to many well-known corporations and businesses with multiple buildings located along Research Forest Drive, one of the main arteries in The Woodlands just two miles west of I-45.
